INTERSHIP WEEKLY REPORT FORM

Student: Jessy Gjerek Company: Centre Saint-Antoine 50+

Company Supervisor:

From: March 31 – April 4, 2025 to: Amin Ranj Bar

GOALS – PREVIOUS WEEK

Complete the new designs for the website (english version)

Continue to work on the Banner of the webpage and upload new images and brighten it up

Post some new pictures to the website

ACCOMPLISHMENTS - PREVIOUS WEEK

Completed the new designs for the website

Uploaded pictures so we would have the url links

Started to look at the homepage posts and where the posts are located

Skills, Tools used

Design skills

Knowledge of URL and how they work

Ability to trace previous programming and improve on it

PROBLEMS ENCOUNTERED / PROPOSED SOLUTIONS

The home page of the website is composed of posts which has caused some difficulties tracing them all down. Jessy is working on simplifying them and making them more cohesive.

GOALS – UPCOMING WEEK

Review all the images that were provided to see which are best suited to be included in the website

Figure out how to customise the homepage

Time allowing, start working on the French version of the website.

Submitted day: 4 / 04 / 2025
